YORK Symphony ORCHESTRA

A Note from the Music Director

I am thrilled to present the 2016/17 season of the York Symphony Orchestra, now in its 55th year! In celebration of this milestone, this season offers some of the finest musical works and a wonderful array of guest artists. Join us for Beethoven's impressive Fifth Symphony, the expressive Pathetique Symphony by Tchaikovsky and brilliant concertos. Some of the highlights this season include a Star Wars and Beyond movies themed program, an Opera highlights concert and our traditional seasonal festive concert in December.

The musicians in the orchestra are proud to be part of the fabric of the community as they volunteer their time and talent to share wonderful music making. I look forward to seeing you all at our performances and together continue the tradition of the symphonic concert experience.

Sincerely,
Denis Mastromonaco
